

### Mission Statement

As volunteer firefighters we shall strive to provide high standards of quality care and professionalism in fire protection, prevention, education, and emergency medical services to our community, our neighbors and all who travel within.

Skagit County Fire District 11 is a Fire Protection District under RCW title 52.

A Board of 3 elected Commissioners oversee the financial planning and long term direction of the District. Also known as the Mt. Erie Fire Department, we are staffed with all volunteers from the Fire Chief to the newest Firefighter.

2018 brought continued challenges to the District and our members performed above and beyond. The District responded to 368 dispatched alarms for assistance to our citizens and in mutual aid to other departments. Mutual aid from 11 agencies was used to combat the Thomas Lane woodland fire in July.

We received new members as we lost others keeping the membership steady at an average of 22 members.

### Financial Report '18

#### **Revenue**

Our primary revenue is generated from property tax assessment seen on the tax statement of FD11. Currently this rate is at \$.41 cents per \$1,000 assessed value of your property.

Additional revenues are generated from leasing out extra space at our Station 1 property not currently used for emergency response or training, charging for outside agencies to attend classes hosted by the District, and miscellaneous grants and reimbursement.
